THE ETERNAL
LOVE OF

Sakura

Legend has it that a long time ago, in a small village in Japan, there lived a young man called Haruto who fell madly in love with Sakura, a beautiful woman with a gentle spirit and a radiant smile. But fate drove them apart. Haruto's broken heart led to the sprouting of a majestic cherry tree, whose blossoms symbolise eternal love. Today, each sakura petal that falls in the wind carries with it the promise that true love is never lost, but blooms forever in hearts.
